Who we are 我们是谁

Yiyang Education & Guardianship is an educational guardianship service based in Camberley, Surrey, providing guardianship and care for international students attending boarding schools in the United Kingdom. We are a sole guardian practice: the person who meets your family is the person who looks after your child.

易扬教育监护位于英国萨里郡Camberley，为就读英国寄宿学校的国际学生提供教育监护与照顾服务。我们是独立监护人机构：与您初次见面的人，就是实际照顾您孩子的人。

Our aims 我们的宗旨

- To keep every student in our care safe, and to put their welfare before any other consideration
- To be a dependable adult presence in the UK for students whose parents are thousands of miles away
- To work in partnership with schools and with parents, so that nothing about a child falls between the two
- To bridge language and culture, so that neither a student nor a parent is disadvantaged by not being understood
- To meet the AEGIS Quality Standards in full, and to be inspected against them

我们的宗旨：保障每一位学生的安全，将其福祉置于一切考量之上；在家长远在千里之外时，成为学生在英国可依靠的成年人；与学校和家长协同合作，不让任何事情落入盲区；跨越语言与文化的隔阂；全面符合AEGIS质量标准并接受审核。

Our principles 我们的原则

The child comes first 孩子优先

Where a student's interests conflict with those of a parent, a school, a host family or this business, we act in the student's interests. We will raise a safeguarding concern even when it is commercially inconvenient to do so.

孩子优先。当学生的利益与家长、学校、寄宿家庭或本机构的利益冲突时，我们始终站在学生这一边。即使对生意不利，我们也会如实上报儿童保护疑虑。

Small by choice 小而精是选择

We take a limited number of students so that we know each of them, rather than knowing about them. A guardian who cannot recognise a student's voice on the telephone is not much use in an emergency.

小而精是我们的选择。我们只接收有限的学生，以便真正认识每一个孩子，而不只是掌握他们的资料。连学生电话里的声音都听不出来的监护人，在紧急时刻帮不上什么忙。

Honest about what we do and do not do 实事求是

We describe our service accurately. We do not promise outcomes we cannot control, including school admission, examination results or university places. Where something is outside our competence, we say so and help the family find the right person.

实事求是。我们如实描述自己的服务，不对升学结果、考试成绩或大学录取作出无法掌控的承诺。超出能力范围的事，我们会直言相告，并帮家庭找到合适的人。

Present, not remote 人要到场

We visit students at school, attend meetings in person, and go to the hospital rather than telephoning it. Our emergency line is answered by a person who knows the student, at any hour.

人要到场。我们会到学校探望学生、亲自出席会议、需要时赶到医院，而不是一通电话了事。应急电话由熟悉该学生的人接听，任何时间都是。

Equal respect 平等与尊重

We uphold a zero-tolerance position on racism and discrimination, and we respect the religion, customs and identity of every student and every host family. We uphold the ethos and values of each student's school.

平等与尊重。我们对种族歧视和任何形式的歧视零容忍，尊重每一位学生和寄宿家庭的宗教、习俗与身份，并始终维护学生所在学校的价值观。

What we are not 我们不是什么

Educational guardianship does not transfer parental responsibility in law. We are not legal guardians, we are not the student's school, and we do not replace the parents. Parents remain financially responsible for their child and retain parental responsibility throughout.

教育监护并不构成法律意义上的监护权转移。我们不是法定监护人，不是学校，也不替代父母。家长始终保留父母责任并承担子女的费用。

Accuracy of what we publish 宣传内容的准确性

All our publicity and information is accurate and conveys realistic expectations of the level of service and accommodation offered. Where we describe a service we have not yet provided, we say so. We do not describe services outside our guardianship work as AEGIS accredited.
